Look at this beautiful girl with the expressive eyes and a wonderful smile! Missy is incredibly sweet and sensitive.

Missy is house trained, walks well on a leash and loves car rides. Missy will sit politely for treats and rolls over for belly rubs which she loves! She is a very easy going girl. Only dog. She will really love being in a home again soon!

Missy attended an adoption event recently with several other Caswell CO dogs and she was AMAZING! So calm in her crate inside the pet store and so happy when it was her turn to go outside for a leashed walk and see new faces....
