**Adopt me!**

Ringo is one cool cat who is loaded with personality. He had a viral infection that almost took his life. Thanks to great medical care, he is completely well and has a clean bill of health. Hey! You can't keep a good man down! Ringo is about a year old, is up to date on vaccines, and tested negative for FeLV/FIV. He is super friendly and enjoys playing with the ferrets at the veterinary clinic where he is being boarded. He loves to hang out with his humans and is great with children. Want to meet Ringo?
